7. RECRUITMENT STRATEGY

The most appropriate strategy for recruitment will be adopted to ensure timely and effective use of resources to maximise the successful performance of the role for Council. Whilst the Council is committed to providing opportunities for existing employees to apply for vacancies within the Council, the recruitment mix (advertisements, internal applications, external applications) will be determined by a range of elements, including the role, required skills and abilities, existing skill base and organisational needs.

At the discretion of the General Manager, vacant positions may be filled by:

- (a) an internal recruitment process;
- (b) an external recruitment process involving external advertising or the use of a recruitment agency for senior positions; or
- (c) by direct selection

7.1 The General Manager may, at their discretion select on merit a prospective employee for the appointment to a position without advertising the vacancy.

7.2 The General Manager may determine to fill any vacancy by inviting applications from Council employees. The process can be utilised where a number of potential candidates, with the required specialist knowledge or skills has been identified within the Council workforce.

7.3 The General Manager may elect to recruit persons externally through placing an advertisement in the newspaper and on Council's website or listing the vacancy with a specialist recruitment agency.

7.4 All persons interested in applying for a position are to contact Council for an employment kit and Council is to forward this promptly upon request. The employment kit will contain a position description (including selection criteria) and a recruitment information sheet.

conflicts of interest are to be notified to the General Manager as soon as they become known.

8.3 Following the closure of the advertising period, the Selection Panel shall determine a short list of the applicants. Short listing will be based upon an assessment of the application against the selection criteria. The Selection Panel will rank applicants according to their assessments in order to determine those applicants to be interviewed.

8.4 Applicants shall be interviewed and assessed according to a set of agreed questions formulated by the panel. Interview questions will be relevant to the advertised position; derived from the selection criteria and seek to identify the experience and ability of the applicants in relation to the role. Interview questions will not make reference to issues such as marital status, health, political ideals or any other matter not related to the performance of the role.

8.5 The assessment of suitable applicants should be done in accordance with the merit principle together with the principles of equal employment opportunities. The merit principle has regard to the knowledge, skills, qualifications, experience and potential for future development of each person in relation to their individual capacity to perform the duties and responsibilities associated with the position.

8.6 Following completion of the interview process, the Selection Panel will make a recommendation to the General Manager as to the outcomes of the interview process. The General Manager may either endorse or reject the recommendations of the Selection Panel.

13. CASUAL AND TEMPORARY EMPLOYEES

13.1 The organisation often has a need for casual employees as a result of budgeted seasonal workload fluctuations, an increase in work activity for a few weeks, illness of permanent staff or for special projects. These situations mean that extra staff maybe required at short notice.

13.2 Casual employment is usually short term and of an irregular basis. Casual vacancies may be filled via general advertisement (internal and/or external), employment agency or by identifying potential candidates without advertising.

13.3 These vacancies will usually fall into two categories:

- Vacancies resulting from illness, increased workload or special projects, (These vacancies require authorisation before employing staff as they are considered additional to the budgeted staff level); and
- Budgeted casual staff shown in the Annual Plan (These vacancies are the responsibility of the appropriate Department Manager).

13.4 Casual employees will be paid a loading as per the relevant award in lieu of leave entitlements, including annual and sick leave.

13.5 Where an employee is likely to be required to fulfil a particular role on a casual basis for more than 12 months, the organisation will discuss the nature of future employment arrangements with that employee in order to determine mutually acceptable terms of ongoing employment.
