14.1 SA 2014/13: PDA SURVEYORS: RA 5685 LYELL HIGHWAY, HAMILTON: SUBDIVISION – EIGHT LOTS & BOUNDARY ADJUSTMENT IN THE RURAL ZONE

Moved **Clr A J Downie**

Seconded **Clr I V McMichael**

That Central Highlands Council (Planning Authority) in accordance with the provisions of the *Central Highlands Planning Scheme 1998* and Section 57 of the *Land Use Planning & Approvals Act 1993*, APPROVE the application for a *Subdivision of 8 lots and boundary adjustment in the Rural Zone* at RA 5685 Lyell Highway, Hamilton, Certificate of Title Volume 85790, Folio 1, and Certificate of Title Volume 246815, Folio 1, subject to the following conditions:

General

1. The subdivision layout or development must be carried out substantially in accordance with the application for planning approval, the endorsed drawings and with the conditions of this permit and must not be altered or extended without the further written approval of Council.
2. Prior to sealing the final plan all use and development occurring on all lots must be in accordance with the Land Use Planning and Approvals Act 1993 to the satisfaction of Council's General Manager. This will require the removal of all non-approved structures and caravans from all lots.

Easements

3. Easements must be created over all drains, pipelines, wayleaves and services in accordance with the requirements of the Council's General Manager. The cost of locating and creating the easements shall be at the subdivider's full cost.

Endorsements

4. The final plan of survey must be noted that Council cannot or will not provide a means of drainage, water or sewer services to all lots shown on the plan of survey.

Covenants

5. Covenants or other similar restrictive controls that conflict with any provisions or seek to prohibit any use provided within the planning scheme must not be included or otherwise imposed on the titles to the lots created by this permit, either by transfer, inclusion of such covenants in a Schedule of Easements or registration of any instrument creating such covenants with the Recorder of Titles, unless such covenants or controls are expressly authorised by the terms of this permit or the consent in writing of the Council's General Manager.

Natural Values, No-Build Areas & Restrictive Covenants

6. To the satisfaction of Council's General Manager, the final plan of survey must delineate for lots 3, 4, 5, 6, 7 and 8 areas where buildings, structures and other like matters are not to be erected and works are not to occur (excepting works directly concerned with the construction of access roads and the provision of domestic service connections) (here called 'No-Build Areas'). The No-Build Areas must be located on each relevant lot as follows:
 - Land within 100 metres of the high water mark or full supply level of Lake Meadowbank.
7. An agreement pursuant to Part 5 of the Land Use Planning and Approvals Act 1993 (Tas) must be entered into prior to the sealing of the final plan of survey to require that no removal or clearing of vegetation is to occur in the No-Build Areas defined in condition 6 of this permit EXCEPTING:

- i. the removal or trimming of trees for reasons of safety and protection of the property;
- ii. the removal of environmental weeds; and
- iii. the clearing and trimming of vegetation carried out in accordance with a Bushfire Hazard Management Plan approved by the Tasmanian Fire Service or other qualified person.

Bushfire Management

8. An agreement pursuant to Part 5 of the *Land Use Planning and Approvals Act 1993* must be entered into prior to the sealing of the final plan of survey to require any residential use or development to be carried out and maintained in accordance with the recommendations of Bushfire Planning Group (2005), *Guidelines for Development in Bushfire Prone Areas: Living with Fire in Tasmania*, Tasmanian Fire Service, Hobart and constructed in accordance with Level 1 of Standards Australia (1999): AS 3959: Construction of Buildings in Bushfire Prone Areas Standards Australia, Sydney.

Agreements

9. Agreements made pursuant to Part 5 of the *Land Use Planning and Approvals Act 1993* must be prepared by the applicant on a blank instrument form to the satisfaction of the Council and registered with the Recorder of Titles. The subdivider must meet all costs associated with the preparation and registration of the Part 5 Agreement.

Weed management

10. Prior to the carrying out of any works approved or required by this approval, the subdivider must provide a weed management plan detailing measures to be adopted to limit the spread of any weeds listed in the *Weed Management Act 1999* through imported soil or land disturbance by appropriate water management and machinery and vehicular hygiene to the satisfaction of Council's General Manager and of the Regional Weed Management Officer, Department of Primary Industries, Parks, Water and Environment.

Environmental Health

11. The final plan of survey must be endorsed that the lots are only suitable for the on-site disposal of wastewater using a licensed Aerated Wastewater Treatment System or modified trench septic or other approved system.

Engineering

12. The subdivision must be carried out in accordance with the *Central Highlands Council Subdivision Guidelines 2012 (attached)*.
13. Engineering design drawings, to the satisfaction of the Council's General Manager, must be submitted to and approved by Council before any works associated with development of the land commence.
14. Engineering design drawings are to be prepared by a qualified and experienced civil engineer, or other person approved by Council's General Manager, in accordance with the *Central Highlands Council Subdivision Guidelines 2012*.
15. Approved engineering design drawings will remain valid for a period of 2 years from the date of approval of the engineering drawings.
16. The developer shall appoint a qualified and experienced Supervising Engineer (or company registered to provide civil engineering consultancy services) who will be required to certify completion of subdivision construction works. The appointed Supervising Engineer shall be the primary contact person on matters concerning the subdivision.
17. An agreement pursuant to Part 5 of the *Land Use Planning and Approvals Act 1993 (Tas)* must be entered into prior to the sealing of the final plan of survey to specified future maintenance obligations for lots 1, 3-8 in relation to the Private Road and shared accesses to the satisfaction of Council's General Manager.

Existing services

18. The Subdivider must pay the cost of any alterations and/or reinstatement to existing services, Council infrastructure or private property incurred as a result of the proposed subdivision works. Any work required is to be specified or undertaken by the authority concerned.

Telecommunications and electrical reticulation

19. Where provided, electrical and telecommunications services are to be provided to each lot in accordance with the requirements of the responsible authority and to the satisfaction of Council's General Manager.

Roadwork's

- 20.** The private road servicing lots 1 and 3 to 8 must be upgraded to include
- fully paved and drained gravel carriageway with a minimum pavement width of 5.00 metres which includes a shoulder width of 0.5 metres;
 - a construction standard that is in accordance with Standard Drawing TSD-R01-v1, a copy of which is **attached** to this permit; and
 - vehicle passing bays designed in accordance with the road design and construction standards set out in the *Guidelines for Development in Bushfire Prone Areas of Tasmania* document.
- 21.** The developer must upgrade the existing accesses onto the Lyell Highway to the minimum requirements of the Department of Infrastructure Energy and Resources.

Access to State Road

- 22.** All work on or affecting the State Road (Lyell Highway), including drainage, must be carried out in accordance with a permit provided by the Transport Division of the Department of Infrastructure Energy and Resources through applying online at Permits@dier.tas.gov.au. At that time a thorough investigation will be conducted and conditions will apply that will include, but are not limited to, the construction standards and sealing of the access from the road edge to the property boundary, drainage, sight lines and environmental considerations.

Survey pegs

- 23.** Survey pegs are to be stamped with lot numbers and marked for ease of identification.
- 24.** Prior to the works being taken over by Council, evidence must be provided from a registered surveyor that the subdivision has been re-pegged following completion of substantial subdivision construction work. The cost of the re-peg survey must be included in the value of any security.

Defects Liability Period

- 25.** The subdivision must be placed onto a 12 month maintenance and defects liability period following the completion of the works in accordance with the approved engineering plans and permit conditions.

The applicant shall also be advised that:

- A.** This permit does not imply that any other approval required under any other legislation or by-law has been granted.
- B.** The issue of this permit does not ensure compliance with the provisions of the *Threatened Species Protection Act 1995* or the *Environmental Protection and Biodiversity Protection Act 1999* (Commonwealth). The applicant may be liable to complaints in relation to any non-compliance with these Acts and may be required to apply to the Policy and Conservation Assessment Branch of the Department of Primary Industries, Parks, Water and the Environment or the Commonwealth Minister for a permit.
- C.** The issue of this permit does not ensure compliance with the provisions of the *Aboriginal Relics Act 1975*. **It is highly recommended that you contact Aboriginal Heritage Tasmania before proceeding as there are several recorded Aboriginal heritage sites in the area.** If any aboriginal sites or relics are discovered on the land, a permit may be required in accordance with the *Aboriginal Relics Act 1975*.
- D.** Hydro Tasmania request that the following advice be included:
- Lake Meadowbank is a multiple use land and there is a need to respect the rights and obligations of others;
 - Lake Meadowbank operates in range of 6.08m, therefore, for continuity of supply any pumps or pipes installed should be designed to operate over this full range. Note that separate approval will be required from Hydro Tasmania for any pumps or pipes across or on its land. Further information about the application process and information requirements can be obtained by emailing Applications@hydro.com.au

- This permit does not extend to approval for structures such as boat ramps or pipes and pumps on the adjoining Hydro Tasmania land. Approval for these is subject to separate approval by either Hydro Tasmania, Council or both and requires authorisation of Hydro Tasmania.
- E. This permit shall not take effect and must not be acted on until 15 days after the date of receipt of this permit unless, as the applicant and the only person with a right of appeal, you notify Council in writing that you propose to commence the use or development before this date, in accordance with Section 53 of the *Land Use Planning and Approvals Act 1993*.**
- F. This planning approval shall lapse at the expiration of two (2) years from the date of the commencement of planning approval if the development for which the approval was given has not been substantially commenced. Where a planning approval for a development has lapsed, an application for renewal of a planning approval for that development shall be treated as a new application.**
- G. The final plan of survey must:**
- a. be accompanied by the prescribed fee, including a separate fee for any stage;
 - b. be submitted with two (2) copies of all documents;
 - c. be submitted only once all works are complete and will only be sealed by the Council if all conditions are satisfied. It is the subdivider's responsibility to arrange any required inspections and to advise Council in writing that the conditions of the permit have been satisfied. The final plan of survey will not be dealt with until this advice has been provided.
