Re: CT 127545/1 Replacement of front fence

To whom it may concern

I am writing to Council to request to change the front fence from a wooden fence to a Colourbond fence. Due to the front wooden fence being broken and safety concerns for my grand children who is able to climb the wooden fence.

Previously we have had another dog jump the front fence and attack my daughter dog. and by raising the fence to ensure other people's dogs don't get in.

By changing the front fence from a wooden fence to a colourbond fence also for privacy reason.

Height - Driveway 1.4 m
Front verandah 1.1m

Colour - Colourbond Ironstone with dressed hardwood timber on top with steel post.
Front gate - rustic metal decorative sheet.

Regards,

Replace existing fence with
1.1 to
1.42 high colourbond fence

Removed wooden picket fence at 27 Alexander street, Bothwell

**Replacement fence (retrospective) at 27 Alexander Street,
Bothwell. Solid Colourbond panel with timber top.
Proposed to continue in front of house,
height between 1.4m and 1.1m**
