

Recovery and Restoration Grants Severe Weather Event August/September 2024

PURPOSE OF THE GRANTS

If an individual has been impacted by the recent August/September 2024 floods and storms, they may be eligible for one or more of the Recovery and Restoration Grants.

Recovery and Restoration Grants provide assistance to meet needs in the medium to longer term for people who, because of an eligible natural disaster have incurred substantial property damage and/or substantial loss of personal household items essential for daily living and/or are unable to reside in their principal place of residence due to damage incurred.

TYPES OF RECOVERY AND RESTORATION GRANTS AVAILABLE

Renters and homeowners who live in impacted areas may be eligible to receive one or both of the following:

- Replacement of Household Items
- Repair and Restoration

Homeowners only who live in impacted areas may be eligible to receive:

- Repair and Restoration

Please note that the maximum amount of each grant is \$11,450. It is possible for an applicant to receive one or both grants. Please refer to Page 2 for details of each grant.

GENERAL ELIGIBILITY?

Eligibility for Recovery and Restoration Grants is assessed against the following criteria:

- Income (see over)
- Proof of Identity (must have)
- Residential Status (within a declared area)
- Insurance status (no or inadequate insurance)

The table below is a summary of the Recovery and Restoration Grants available to impacted and eligible households:
