## TERMS AND CONDITIONS OF REGISTRATION

All dogs over the age of six month must be registered. Registration must be renewed by 31 July each year.

All dogs over the age of six month must be microchipped, unless exempt under Section 15A(2)(b) of the *Dog Control Act 2000*. Exemption applies to working dogs, specified racing greyhounds and hunting dogs that were registered with, and tattooed by, an “approved” hunting association before 1 July 2011.

The owner of a dog must notify the general manager in writing within 14 days of the dog’s death, loss, removal, the transfer of the dog to another municipal area or change of ownership of the dog to another person.

Only two dogs or up to four working dogs can be kept on a property without a kennel licence, please contact Council for further information, or to apply for a kennel licence.

You must have the means to contain the dog(s) on your property. Fines apply for dogs at large and/or dogs not under effective control.

Dogs must be walked on a lead on any road related area, this includes pathways, nature strips and unsealed roads.

Dogs must remain under the effective control of the owner or person in charge of the dog at all times. This also includes when exercising your dog in a designated off-lead area.

The owner or person in charge of the dog(s) is responsible for cleaning up after the dog(s).

With the exception of Guide dogs and hearing dogs, all dogs are required to wear a collar with registration tag attached when in a public place.

If your dog is impounded, every effort will be made to contact you if the dog has the prescribed identification (current registration and microchip). Impound fees are charged and an infringement may be issued for any offences committed.
